Big Bob Gibson  
Bar-B-Q

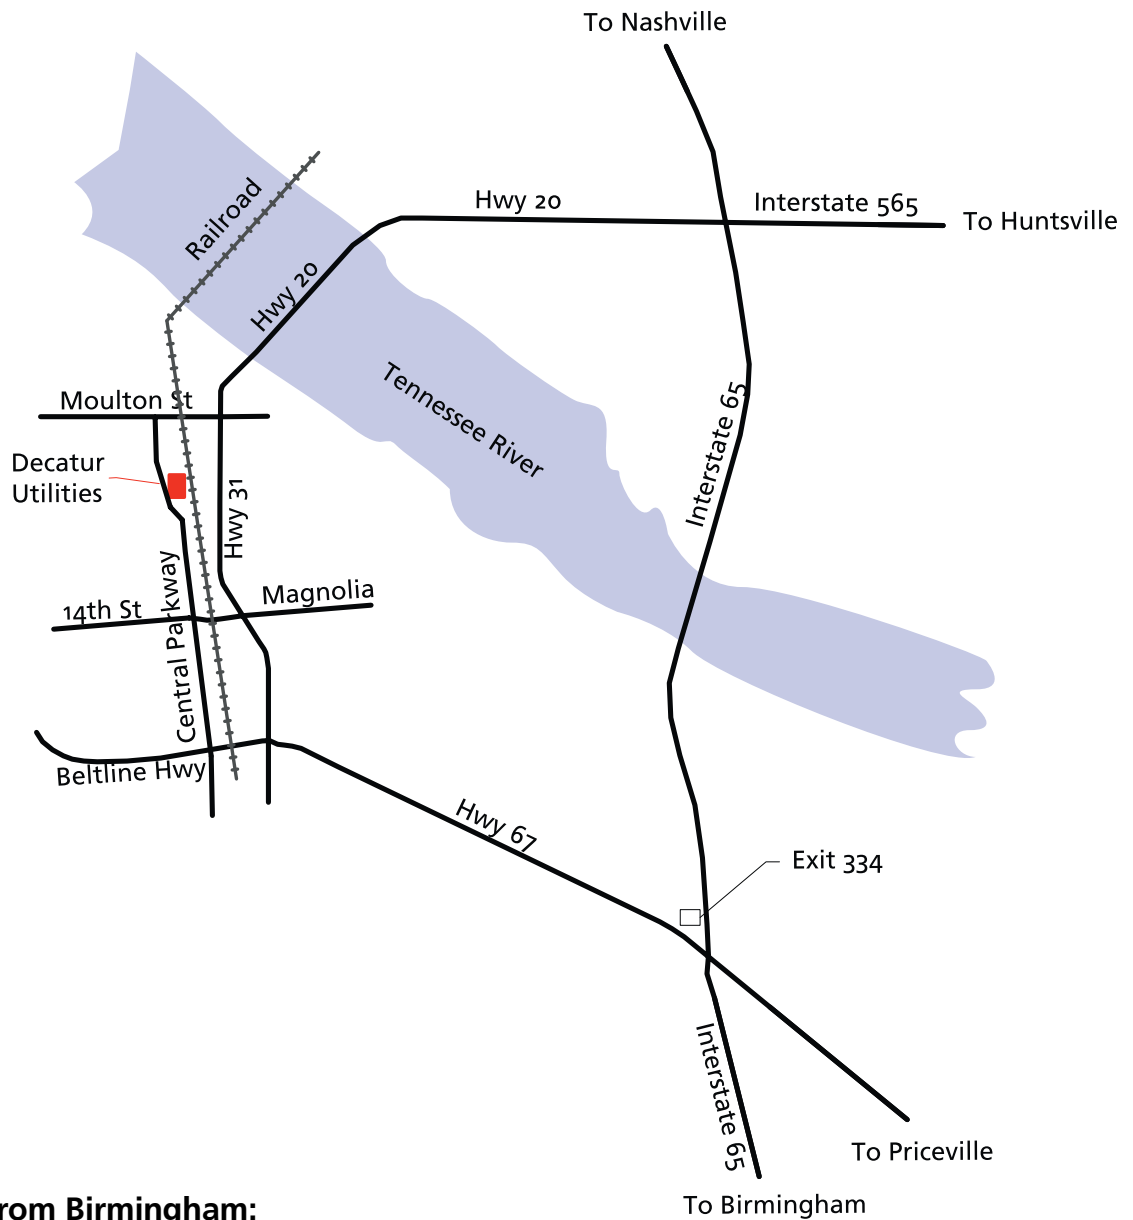

If you would like to learn more about your PRISM SCADA system, this workshop is for you. It will be held at Decatur Utilities Electric Department (map on reverse) on Tuesday, February 15th, from 9:00 to 3:00.

If you would like to attend, please RSVP by February 10th to Mary Hester at 770.855.3175 or by e-mail to [mhester@issatlanta.com](mailto:mhester@issatlanta.com).

8:30–9:00	<b>Continental breakfast</b>
9:00–9:30	<b>Introduction, SCADA overview, Customer Support</b> Defining the basics of SCADA, including the features best suited to reducing costs through automation
9:30–10:30	<b>NTU-7500 series network terminal units</b> Technical overview, NTU upgrades, third-party upgrades, IED and protocol issues
10:30–10:45	<b>Break</b>
10:45–11:45	<b>SCADA applications for automation</b> How to get the most efficiency from your SCADA system. Mapping, outage and SCADA—automated management outside of the substation fence
11:45–12:15	<b>Lunch</b>
12:15–2:00	<b>User's guide to PRISM</b> Implementing PRISM system features and enhancing your operator interface
2:00–3:00	<b>Tour of Decatur Utilities facility</b>

Our appreciation to **Mary Hester** of **Intelligent System Solutions** for coordinating this workshop, to the **Decatur Utilities Electric Department** for providing the meeting space, continental breakfast, and facility tour.

### Directions from Birmingham:

- Take I-65 to Exit 334
- Turn right (west) onto Hwy 67; go approximately 5 miles.
- First major intersection is 6<sup>th</sup> Ave (Hwy 31). Go 2 lights past this intersection (still on Hwy 67).
- Turn right onto Central Parkway.
- Go past the light at the intersection of 14<sup>th</sup> St.
- Decatur Utilities Main Office is on the right, approximately 1.75 miles.

### Directions from Nashville/Huntsville:

- Take I-65 to Exit 340 (from I-565, it turns into Hwy 20 at the I-65 interchange).
- Follow Hwy 20 across the Tennessee River (turns into 6<sup>th</sup> Ave/Hwy 31).
- From the Tennessee River Bridge, go 4 traffic lights to Moulton St.
- Turn right onto Moulton St.
- Cross the railroad tracks. Turn left onto Central Parkway (approximately 300' from railroad tracks)
- Follow Central Parkway approximately 0.75 miles.
- Decatur Utilities Main Office is on the left.
